

Child Work Permit

As an employer, we need a **Child Work Permit** to employ a child aged between 13 to 16 years of age. It's illegal to employ a child under 13.

To apply for a work permit, the employer (EMA) must complete an **online application form** for each child they wish to employ within a minimum of 14 working days **before** they begin work.

The application form has 3 parts to it, which must be completed by:

- the employer
- the child's parent or guardian
- the child's school

To complete the online application form, we will need the following information. Please complete this fully and legibly as the submission may fail if any details are not complete and accurate:

Full name of child	
Date of Birth	
Address	
Name of Parent/Carer	
Parent/Carer's phone no.	
Parent/Carer's email address

Details of the days and hours of the child's employment – please see overleaf.	

Types of work that children can do

Children may undertake 'light work'. This is work that is unlikely to be harmful to the health, safety or development of a child or to their attendance at school.

There are some jobs that **children under 16 cannot do**. They include:

- selling alcohol, unless in a sealed container
- working in a commercial kitchen (this includes washing up, unless the washing up area is separate to the kitchen)
- collecting or sorting rubbish
- working where harmful chemical, biological or physical agents are used
- working in the personal care of residents of any residential care home or nursing home unless under the supervision of a responsible adult

Read [legislation for child employment](#) for more information.
